Brief Description of Arguments to be Presented:

Reference does not show identifying a search term and providing a link
to the search term as recited in claim 15. Instead, it apparently describes
identifying a node in a browse tree, where the node may represent a product
or category, and providing a link to said node.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
